NOTICE TO PARENTS

SUB: SCHOOL FEES REDUCTION DUE TO PANDEMIC SITUATION

Dear Parents,

Pursuant to the Hon'ble High Court, Kolkata, Judgment dated 13th October, 2020 in respect of extending 20% reduction in the School Fee, we are pleased to inform you the following.

1. There will be 20% reduction across the board towards the Tuition Fees and Session Fees to every student for the period April 2020 till the school reopens in physical mode.
2. This reduction of 20% will be based for each month on the Fees for the corresponding month in 2019.
3. No increase in School Fee for the Academic Session 2020-21.
4. No charges towards unused facilities such as Laboratory, Games & Sports or Extra curricular activities.
5. Parents who are financially stable can choose to waive the 20% reduction to assist the Schools in maintaining financial balance in this crisis, and in fact have been asked to do so by the Hon'ble High Court if their financial situation does not merit the reduction.
6. Parents who are severely affected financially and wish for further reduction or waiver or exemption or delayed or installment payments to apply for the same in accordance with the procedure given by the Hon'ble High Court including submission of application supported by their financial statements certified by a qualified auditor and accompanied by a declaration by the parents verifying the particulars to be true and correct – these are to be submitted positively by November 15, 2020.
7. There will be no refund of the fees already paid. However, to the extent fees have already been paid which are in excess of the directions contained herein, suitable adjustments will be made over the remaining months of the financial year, unless the parents agree in writing otherwise.
8. By November 30, 2020, all fees payable as per the Judgment, for the period up to November 30, 2020 should be tendered on behalf of all students. If fees are not paid, and no application is made for further reduction or waiver or exemption or delayed or installment payments, with effect from December 8, 2020 the Schools may have to consider disallowing students as allowed by the High Court Judgment although this harsh measure is one that we do not want to resort to at all.
9. Fees payable by students to Boards for the Examinations or otherwise shall have to be paid in addition to the monthly fees and other charges in terms of this order and there is no waiver or reduction of these fees or charges.
10. Parents are requested to get the Revised Fee Structure either from the School Office or from the School Website.

Thanking You,
